Director's Letter:

Dear Friends,

Have you had a need to arise and in that very moment, God provided? A moment that stops you in the moment and you realize THIS is from Jehovah Jireh, my God who provides! Within the last few weeks, we have had this God moment happen twice. Experiences that left us awestruck and amazed at just how much our God loves the ministry of Caldwell Pregnancy Care Center. How he provides abundantly for the men, women, and babies we serve. Moments that left us knowing that we had just witnessed a miracle, a miracle that felt like the very arms of Jesus were wrapping around us and letting us know that He is in the details and He will provide.

The first miraculous moment happened on a Tuesday morning. The HOPE's Closet volunteers were sharing with me the urgent need we had for ladies shaving cream, that we put in our Mommy Bags. These bags are given to our mummies on their first visit back after the birth of their babies. The bags are full of body lotions, shampoos, hair bows, shaving cream, etc. – all the things that will show our new moms that they are special, loved, and appreciated. During this conversation, Suzanne, our Ministry Assistant,

comes to the door with a trash bag full of ... You guessed it! Ladies shaving cream!
Jehovah Jireh had provided!

The second miraculous moment happened at our Granite Falls Center. We received an email from a faithful donor, saying that they were unable to sponsor our upcoming event. At the same time, a different donor called stating that he wanted to increase his sponsorship. That same morning, an envelope was laid on my desk by an anonymous donor. The envelope contained a stack of \$20's – the amount of the sponsorship for our event! God increased what we thought was lost SIX times over!! **Jehovah Jireh had provided!**

In my 31 years of ministering in pregnancy care work, I have countless stories of God providing IN THE MOMENT of a ministry need. It never gets less exciting and I pray I never become immune to the feeling of the moment and praising my God, my Jehovah Jireh. He is so worthy of our praise, and our job is to share Him with the world – one person at a time - one mommy, one daddy, one small child and introduce them to the **God who provides, Jehovah Jireh.**

Thank you for allowing God to work through you as you financially give to, pray for, and love on Caldwell Pregnancy Care Center and all those who find refuge and love within our ministry walls.

“Abraham looked up and there in a thicket he saw a ram caught by its horns. He went

over and took the ram and sacrificed it as a burnt offering instead of his son. ¹⁴ So Abraham called that place The LORD Will Provide. And to this day it is said, “On the mountain of the LORD it will be provided.”

Prayer Update:

We celebrate Valentine's Day this month and I have a special client on my heart. This very young mom just gave birth to her baby boy. This baby is born to a loving mother, but the dad is not in the picture. Our team was very excited to welcome her back for her “new mom” visit. Volunteer, Marie Alfredson, watched an important BrightCourse lesson with her, “Eye Contact Means Love.” This client also enjoyed shopping in Hope's Closet and getting much needed items for her little Valentine baby. Please pray that this new Mom will surrender her heart to Jesus and continue coming to CPCC.

Blessings,
Rebecca Davis
